Dear Sir,

I feel happy to testify to the character, intelligence integrity and proficiency of Mr L Gurusiddiah (Cons), LL B who is working as Chief Officer for the last 1½ years. He is a merit scholar of the Mysore University and a senior Pleader. As Chief Officer he is very efficient honest, and highly capable. During the last 2 years the Municipality has been able to increase its resources and Octroi income which is, under his direct supervision has increased 100% and the previous President has already stated that this income is due to the strict supervision exercised by the Chief Officer I agree with him entirely and I am of opinion that he is responsible in a large measure for the increase in the income of the Municipality in the shape of Ground rent charged on Booths - temporarily erected at least 1½ on the occasion, Fee for issuing Licences for Bullock carts and Cycles, Fee from Cattle-pound and Octroi but,

efore he joined this office the collection

of octroi taxes was not satisfactory and at the end of every year there used to be an arrears of 2-3 thousand Rupees uncollected and accumulating to the old arrears But during the last 2 years due to the strenuous efforts of the Chief Officer the entire Current Demand is being fully collected and about 2-3- thousand Rupees reduced in the arrears Thus the heavy arrears of demand accumulated since a very long time are being reduced systematically year by year and there is appreciable reduction in the arrears of Demand during the last 2 years

In view of the good work done by Limaye Benkatashanna strongly recommended that he may be promoted to the I Grade The Government in their Order No LL 3030-7- 1 83--1-30- dated 24th October have fixed his pay at 100/- and promotion to the I Grade is pending

In this connection I wish to bring to your kind notice that this Council has passed a Resolution requesting the Government to raise status of this Municipality from II Grade to I Grade and the matter is pending your kind orders I feel extremely glad if
